## Oil-Free D-Icer™ & Accessories

The first affordable oil free D-Icers. The new oil free motors are more energy efficient. They save money when used for Aeration or Deicing.

### Why Choose Our Oil-Free D-Icer?

The innovative motor design, high-efficiency, and extra features leave the competition behind. A superior product that costs no more than the competition. It is a powerful submersible motor-driven water circulation unit that prevents ice formation during winter months by continuously propelling warmer subsurface water up to the surface. The D-Icer keeps the area ice-free. It's ideal for use around a boat or dock.

### Unique Design

The unique one-piece design of the shroud prevents large debris from being sucked through and damaging the propeller, a major cause of failure in other ice prevention devices. Optional thermostat control is available, as well as an optional flotation collar to hold the D-Icer near the surface for aerating.

**Oil-Free design  
is more energy efficient  
than the typical Oil-Filled units!**

**2 Year Warranty!**

### Product Features:

- **NEW Oil-Free Design** - no chance of oil leaks polluting our environment.
- **More Energy Efficient than Oil-Filled Units** - costs less to operate. Pays for itself.
- **Molded Glass Filled Nylon Shroud** - guides water flow, and blocks debris.
- **Stainless Steel Motor Shaft and Motor Housing** - eliminates corrosion.
- **Dual Internal Seals and Double Lip Shaft Seal** - keep water and dirt out for long life.
- **High Efficiency Motor and High Performance Propeller** - give the most flow for your energy dollars.
- **Continuous Duty 120v or 230v Single Phase Motors** - can run non-stop for years without maintenance.
- **Standard 50' or 100' Field Replaceable Power Cords** - get you to the middle of the slip without modification.
- **Designed for Harsh Saltwater Environment with Renewable Zinc Anode for Corrosion Protection** - thrives in salt or mineral filled water.
- **Easy to Install by One Person** - fast setup allows use as a portable unit.

### 115w/60Hz Models

Stock No.	Description
#6205D	1/2 HP D-Icer with 50' Oil-Resistant Power Cord
#6205D-100	1/2 HP D-Icer with 100' Oil-Resistant Power Cord
#6208D	3/4 HP D-Icer with 50' Oil-Resistant Power Cord
#6208D-100	3/4 HP D-Icer with 100' Oil-Resistant Power Cord
#6210D	1 HP D-Icer with 50' Oil-Resistant Power Cord
#6210D-100	1 HP D-Icer with 100' Oil-Resistant Power Cord

### 230v/50Hz European Models

Stock No.	Description
#6228D	1/2 HP D-Icer, without plug
#6228D-EU	1/2 HP D-Icer, with European plug
#6228D-UK	1/2 HP D-Icer, with UK plug
#6229D	3/4 HP D-Icer, without plug
#6229D-EU	3/4 HP D-Icer, with European plug
#6229D-UK	3/4 HP D-Icer, with UK plug
#6230D	1 HP D-Icer, without plug
#6230D-EU	1 HP D-Icer, with European plug
#6230D-UK	1 HP D-Icer, with UK plug
#6231D	2 HP D-Icer, without plug
#6231D-EU	2 HP D-Icer, with European plug
#6231D-UK	2 HP D-Icer, with UK plug

Analysis, Improvement, Innovation, and Testing, Result in Proven, Superior Performance.

## Taylor Made® Oilless D-Icer™

- Hi-efficiency oilless motor is designed to move water.
- Longer life due to cooler running. Runs at higher RPM's which moves more water. Environmentally friendly due to no oil.
- Motor design is more efficient then oil filled designs. It runs cooler and uses fewer watts.
- Vortex shroud design reduces damage from debris and directs flow for improved ice elimination.
- One-piece plastic shroud design for easy maintenance and corrosion protection.
- 50 ft. power cord standard.
- D-Icer™ can be converted to an aerator or fountain.
- Most cost effective unit on the market.

The Taylor Made® Oilless D-Icer™ offers unmatched Features and Benefits!

## D-Icer™ Accessories

Thermostat Control

Replacement Propeller

Zinc Anode

Poly-Pro Float

Dock Mounting Kit

### Accessories

Stock No.	Description
#6215	Thermostat Control, 25 Degree On/35 Degree Off
#6216	Thermostat Control, 30 Degree On/40 Degree Off
#41896P	Replacement Zinc Anode
#A-24417-P	Replacement Propeller 1/2 HP
#A-24417-12	Replacement Propeller 3/4 HP
#A-24417-13	Replacement Propeller 1 HP
#6225D	Dock Mounting Kit
#6226	1/2 - 1 HP Heavy-Duty Black Poly-Pro Float - Converts to Aerator
#6230	2 HP Black Poly-Pro Float - Converts to Aerator
